

**IAFF Health &
Wellness Trust**

Think of yourself first!

For all the people who depend on you, put yourself first—get screened for cancer. **It could save your life.**

Transcarent is proud to offer a **collaborative Oncology Care experience** that starts with preventative care. Healthy habits, regular screenings and early detection are central to fighting cancer. With Transcarent, there's no more excuses—contact your Health Guide to learn more.

What is the Transcarent Oncology Care experience like?

Through Oncology Care, you can expect live, human support from the moment you begin your journey. We are here to make the process as easy and seamless for you as possible.

You can call a Health Guide to connect with the Oncology Support team of experienced oncology nurses for ongoing guidance during and after your cancer treatment. You can also communicate via in app messaging to learn about the program, to receive support for your treatment, and to understand the steps through your treatment journey.

How much will Oncology Care cost me?

Thanks to IAFF Health & Wellness Trust, you pay nothing for Oncology Care. That's right—benefit costs are covered at 100% so you pay zero. IAFF Health & Wellness Trust passes on the savings from our pre-negotiated, bundled rates to you.

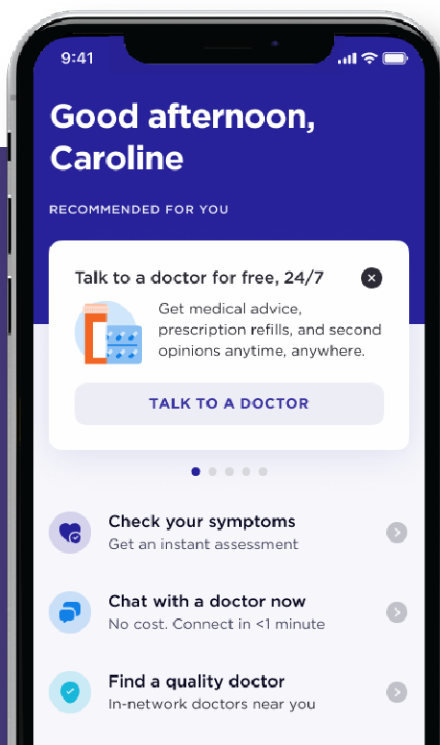

If you're enrolled in a high deductible health plan with a qualifying health savings account, Transcarent care services are no cost to you after your deductible has been met.

Who is eligible for this benefit?

All members and family members enrolled in a Trust medical plan are eligible for Oncology Care. Members seeking advice for a loved one are also eligible.

How do I get started?

Get started by registering online at Transcarent.com, or by downloading the mobile app below. You can also call (888) 994-2177 to speak to a Health Guide, who will walk you through the process.
